

The background of the advertisement is a dark, industrial setting featuring a Siemens SINAMICS G120 Smart Access Module. The module is a large, black, rectangular device with a prominent cooling grille on the left side. On the right side, there is a control panel with a blue backlit display showing various icons and text. The icons include a wrench, a battery, a Wi-Fi signal, a cloud with a Wi-Fi signal, a Wi-Fi signal, and a Wi-Fi signal. The text on the display includes 'SIEMENS', 'COM', 'WLAN', and 'RESET'. The overall aesthetic is futuristic and technical, with a blue and black color scheme. The Siemens logo and tagline are in the top right corner. The main headline and sub-headline are in a white box on the left. The descriptive text is in a white box below the headline. The website URL is in a white box at the bottom.

SIEMENS

Ingenuity for life

Mobile. Clever. Faster.

SINAMICS G120 Smart Access Module

Imagine a wireless and powerful tool with a great diversity of functionalities to enhance the use of your SINAMICS G120 converters. All you need is a smartphone, a tablet, or a laptop, and a common web browser to wirelessly configure and operate your converters – without having to install additional software. The SINAMICS G120 Smart Access Module offers comprehensive assistance and an intuitive user interface for easy commissioning, diagnostics, and service. Do it wireless. Do it faster.
